

## SH-G8824

### Sculpt and Strengthen Your Inner Thighs

Specifically designed to mimic natural thigh adduction, targeting and toning your adductor muscles with precision.

### Personalized Resistance for Every Fitness Level

Effortlessly adjust the weight to match your goals, making every workout as effective and challenging as you need.

## Ergonomic Comfort for Optimal Performance

Featuring an adjustable backrest angle, it ensures maximum comfort and proper alignment to enhance your workout experience.

## Ultra Flexibility

With the upgraded battery-powered version of the 88 series, there's no need for electrical outlets, giving you unparalleled freedom in positioning and reconfiguring your training space for maximum flexibility.
